Learner Acceptable Use of ICT Agreement – for learners in Reception, Year 1 and Year 2

This is how we stay safe when we use computers:

I will ask a teacher or another adult from the school if I want to use the computers.

I will only use activities that a teacher or another adult from the school has told or allowed me to use.

I will not use email or other communication technology to contact others without permission from a teacher or another adult from the school.

I will take care of the computer and other equipment.

I will ask for help from a teacher or another adult from the school if I am not sure what to do or if I think I have done something wrong.

I will tell a teacher or another adult from the school if I see something that upsets me on the screen.

I know that if I break the rules I might not be allowed to use a computer.
