Permission for short no-cost visits

During the year there may be occasions when staff take the opportunity to take learners for a visit out of school, which involves a short walk and for which there are no cost implications or transport arrangements. I am asking for your permission to take your child out of school as necessary rather than sending out a permission slip each time. The children will always be accompanied by an appropriate number of staff. For longer excursions which involve transport cost and entrance fees we will send specific permission slips home.

Please complete and return the form below to the school office.

I give permission for my child:
