

Transport arrangements for the 24th and 25th June Llanidloes High School Year 6 Transition

This provision is being made due to the kind support of Celtic Travel and is not a compulsory provision for the Year 6 transition days.

- We strongly request that parents meet the transport with their children and do not depart until the children are safely on the bus and are ready to leave.
- We do not accept responsibility if children are left unattended.
- It is the responsibility of the parents to make sure their children get on the correct vehicle and that there is space for them.

- These are the pick up and drop off points available on the 24th and 25th June (these may differ to the allocation by PCC in September).
- PCC will inform parents of the transport arrangements for their children in September.

Below are the pick up times for each bus should you wish your child to access the school transport for the 24th and 25th June

Pupils will be dropped off at the same place at the end of the school day. High School finishes at 3:35 pm.
