

WISE KIDS is delighted to be working with Powys Together to offer a free ONLINE workshop entitled

Powys Together

Parenting in a Digital World- Promoting Positive and Safe Internet Use

This workshop will explore how children and young people use digital media, the opportunities and challenges these present, and how to manage these.

Monday 28th March
5.30pm – 6.45pm

You will learn

How you can develop your children's critical thinking, digital literacy and wellbeing, in an age-appropriate way so they are better able to use the Internet positively and safely.

You will also receive practical resources and strategies which you can use to further support with positive and safe internet use.

To Register
